

## Welcome to the Qld Bushfood Association

Our Association exists as a group of bushfood enthusiasts who share their interests in the many ways for which they are equipped, enriching each other by exchanging the fruits of their experience and learning. We are a group of propagators, growers, value adders, chefs, gardeners, educators, writers and others interested in bush foods. Newsletter published each quarter. Enewsletter emailed between newsletters. Meetings are held at various venues throughout the year. AGM is held in March. Our Association has PLI for \$20M. Field Days and Workshops are included in our Events Calendar. Members are encouraged to bring in bushfood they have prepared for others to sample at our meetings. Our website publishes updated details of meeting dates and venues. QBA is a member of Australian Native Food Industry Ltd (ANFIL), Australia's peak industry body. For more information contact: [sheryl.backhouse@bigpond.com](mailto:sheryl.backhouse@bigpond.com)
